

WHO WE ARE

Founded in 2010, IMB Partners is a private investment firm that leverages our unique strategic networks, capital resources, operational expertise, and distinctive industry knowledge across key sectors. We compliment the strength of our partner companies and deliver new, profitable, sustainable revenue. Our team has more than 100 years of combined investment experience, and our strategic industry relationships provide unique value creation opportunities for our partners.

INVESTMENT APPROACH

We partner with proven founders, owners, and management teams who are willing to reinvest meaningful capital or rollover equity with us. We utilize the following approach to guide our investment decisions.

\$2-\$15M

Our transaction experience includes:

- **Management and leveraged buyouts**
- **Recapitalizations**
- **Leveraged build-ups**

- **Corporate divestitures**
- **Joint ventures**
- **De-novo startups in partnership with large corporations**

Two-Step Buyout™ of closely-held or family owned companies, providing a flexible, long-term hold period for business owners seeking:

- A meaningful upfront cash payment for their business via a buyout
- The opportunity to “rollover” and retain a continued ownership position
- The ability to remain involved in the management and growth of the business (in the same role or a more strategic role)
- The ability to financially benefit from the value created in a second sale or recapitalization of the business in 3-5 years (second bite at the apple)
